1. In a head-count total, students are counted as units even if they are part-time students taking less a full-time curriculum.
2. The 2013 - 2017 head count totals shown were extracted from the HEMIS Sub 3 student tables for each year. Unique, **unduplicated** head counts were extracted using the derived head count enrolment data element 589.
3. A faculty's head count total is the total of students enrolled for the various degrees, diplomas and certificates

**Notes:**

1. This table is an analysis of the academic progress of the 2009 2010 2011 2012 and 2013 FU cohorts carried out five years after their initial enrolment at UCT
2. Students who graduated did not necessarily obtain their degrees in the faculty in which they first enrolled as FU students.
3. Students continuing their studies were not necessarily registered in the faculty in which they enrolled as first-time entering students.
4. Students dropping out in good academic standing are students who had left the University without completing a degree, and whose final undergraduate academic progress codes entitled them to re-register for undergraduate studies at UCT.
5. The Commerce intakes include students enrolling for the 3-year BCom and for the 4-year BBusSc
6. The Engineering total is for 4-year degrees only (i.e. excluding the bachelor of Architectural Studies and the BSc's in Construction and Property Studies.
7. Percentages are to be read down each column.
8. "Other" Academic codes not shown individually but included in total, include long leave, expulsions, rustication and disciplinary codes
